

# Christ-ting

But encourage one another daily...  
Hebrews 3:13a

## Guidelines

Christting is a positive activity designed to encourage, educate, socialize, and stimulate prayer within an established group. Please observe the following when participating in Christting:

- No Christting while driving.
- No obscene, embarrassing hurtful language or photos.
- Used for building up and encouraging those within group.
- Never used to hurt or diminish others outside the group.
- Private & personal. Should stay within the confines of group.
- Keep groups same sex. Undesirable dependency & attractions can be avoided.
- Not to interfere with personal quiet time with God. Should deepen & increase relationship with Christ.
- Use a D at the end to signify the Christting Bible study is done.
- Always start with a G when addressing group, indicates message was sent to entire group.
- Omit the G, when texting an individual.
- Always place initials at end to identify author of text to group.
- Additional guidelines should be added to encourage & protect your specific group.
- Distribute rules to group.
